

AN IMPORTANT MESSAGE FROM LOCAL1347

WHO'S

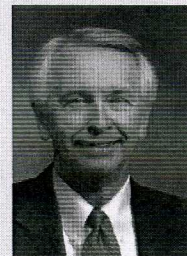

On Our Side?

Ernie Fletcher Betrayed Kentucky's Working Families

- Attacked union workers with right-to-work-for-less proposals and by abolishing union representation for state employees. Fletcher falsely claimed "unionization is not a positive thing for state employees." (Associated Press, 12/17/03; 8/14/03)
- Attempted to undercut workers' wages by trying to repeal our prevailing wage laws. (Associated Press, 3/8/06; 5/12/07)
- Used his position to hand out state jobs to political supporters. (Associated Press, 5/12/07)

Steve Beshear Will Bring Integrity Back to the Governor's Office

- Beshear will invest heavily in worker training and education programs. He supports collective bargaining rights for state employees. (Associated Press, 4/2/07; www.stevebeshear.com; Lexington Herald-Leader, 3/15/07)
- He is committed to protecting our prevailing wages and promises "there will never be a right-to-work law passed in the state of Kentucky while I'm governor." (Lexington Herald-Leader's Pol Watchers, 3/2/07; Associated Press, 4/18/07)
- Beshear knows "it is time to have some good experience and honest leadership in Frankfort for a change... It's time for new leadership that will finally put Kentucky and Kentuckians first." (Beshear remarks, Owensboro, Ky., 5/19/07)
